

REPORT OF THE GUIDANCE COMMITTEE (GCR) M.S. PROGRAM—ENVIRONMENTAL GEOSCIENCES

MICHIGAN STATE UNIVERSITY
Department of Earth and Environmental Sciences

Guidance Committee: It shall be the responsibility of the student, in consultation with the department chairperson or temporary advisor, to form a guidance committee no later than the end of the tenth full week of classes in the student's second semester in residence. It shall consist of at least three members of the faculty (a chairperson and two others) to oversee and direct the program. At that time, the guidance committee will file a report listing all degree requirements approved by the committee. This guidance committee report, as changed or amended in full consultation between the student and the committee, shall be regarded as the statement of program requirements.
